Your Statement

Please provide responses under the following headings.

Your examples could come from activities that you undertake in your working, personal, social or family life. You can complete this in another format if you need to, for example, in Braille or on an audiotape. You do not need to write lots of information and your response should be limited to 2 A4 sides of paper. You can download additional sheets from the link at the bottom of the page, if required, but please ensure that you save this form before doing so.

Give an example of a time when you have shown ongoing interest and commitment to a long term project / activity.

For example, planning an event, regular voluntary work or community activities.

Give an example of community activities that you are involved in, any community groups that you are a member of, or that you have an interest in. This could include Faith groups, social networks or community services, for example Neighbourhood Watch.

Give an example of a time where you have worked as part of a team and contributed to the success of a group initiative.

Give an example of a time where you have shared your views and understanding of issues with others (e.g. in a family, community or work setting), **that may have a different set of values or beliefs.**

Please tell us why you think it is important for IAG members to be able to work with people from diverse backgrounds.

Please summarise why you would like to become an IAG member and what you think you can contribute to the group.

If you are affiliated with a group or organisation, please provide details (name and address of the group or organisation).
